

Enhancing Your LinkedIn Profile

LinkedIn states that users with completed profiles are *40 times more likely* to receive opportunities through LinkedIn. Below is what we suggest you complete for a strong profile:

- **Headline:** This defaults to your current role but can be tailored according to your needs.
- **Industry:** Defaults to industry of current company/role but can be manually changed.
- **Geography:** Consider your target location.
- **Photo:** A professional photograph adds personality to your page.
- **Public Profile Link:** Edit this to make it more readable and add it to your email signature.
- **Summary:** A strong statement of the value you bring to an organization.
- **Experience:** Include at least the last 2 roles and consider transferrable skills.
- **Skills & Expertise:** A listing of up to 50 skills – be selective and focused with your choices.
- **Education:** “The University of Chicago Booth School of Business” is the recommended name.
- **Recommendations:** Consider supervisors, subordinates, colleagues, clients.
- **Applications:** Share information about books you are reading, presentations you have created, etc.
