

FREQUENTLY ASKED QUESTIONS – MARKETING

Fit with Marketing/Brand Management

- Give me an example of a well-marketed brand/product (will likely ask for multiple examples).
 - o Why do you think it is marketed well?
 - o How can this brand/product be improved even further?
 - o What would you do if you were the competition?
- Give me an example of a poorly marketed brand/product.
 - o Why do you think it is marketed poorly?
 - o How can this brand/product be improved?
- What is your favorite brand/product and why?
- Give me an example of an innovative new brand/product and explain why it is innovative.
- Give me an example of an effective/ineffective television commercial you have seen recently.
- Give me an example of an effective/ineffective non-TV advertisement.
- Give me an example of an effective social media marketing campaign and explain who it was targeting and why it was effective.
- Why are you interested in marketing?
- What skills do you have that would make you a good marketer/brand manager?
- Why are you interested in marketing/brand management at Company X?
- Why do you want to live in Company X's city?
- What trends are facing Company X/Company X's industry today?
- What issues do you think will affect Company X/Company X's industry 5 years from now?
- Which of Company X's competitors are doing a good job and why?
- Which of Company X's brands are strongest/weakest, and how would you improve them?
- Which of Company X's brands would you most like to work on and why?
- If you had been responsible for the marketing of Product X (usually a recent failed product launch within that company) what would you have done differently and why?
- Why did you choose Chicago Booth for marketing?
- What would you do if your brand had lost market share over the last five years?
- How would you determine whether or not to introduce a line extension?

Behavioral

- Give me an example of a time you had to deal with team conflict and what you did to resolve it.
- Give me an example of a time you took initiative.
- Can you give me an example of a time you led a project from start to finish?
- Tell me about a time you had to motivate/influence others.
- Tell me about a situation when you had to analyze/interpret data to make a decision.
- Tell me about a time you had to solve a problem with limited data.
- Tell me about a time you presented an idea and there was an objection.
- Tell me about a time you had to come up with a creative solution and implement it.
- Tell me about a time you served on a team; explain the dynamic.
