EXPERIENCE

APOYO CONSULTORIA, Peru

(Leading strategy consulting firm specializing in business strategy and family-owned companies)

Associate Dec 2025 – Apr 2026

- World's Largest Fishmeal Producer: Built full go-to-market strategy for new organic fertilizer line — encompassing market research, consumer segmentation, channel strategy, and pricing architecture; sourced and qualified 5 priority buyers through direct outreach.
- Peruvian subsidiary of one of LatAm's largest LPG distributors: Led mid-cycle review of 5-year strategic plan, redefining 2-year roadmap to target 35K TM volume growth and \$15MM EBITDA uplift; facilitated workshops with 12 C-levels.

Senior Analyst Jun 2024 – Dec 2025

- Managed portfolio of 15 projects over 2 years, supervising consultants and overseeing end-to-end delivery across consumer, retail, and industrial industries.
- Livestock Feed Company (\$100M revenue, 19 countries): Designed 5-year strategic plan targeting 50% sales growth, including launch of \$7M pet product line; facilitated commercial strategy workshops with 25 managers across sales and marketing.
- Japanese Multinational Vehicle Company (20% market share in Peru): Sized B2B leasing and B2C renting markets, analyzed regional expansion, and contributed to Japan board presentation on new consumer business model.

BANCO DE CREDITO DEL PERU, Peru

(Largest Peruvian financial institution listed on NYSE, \$7B in revenue)

Product Owner Aug 2023 – Jun 2024

- Led 19-person cross-functional team (product, tech, design, growth), youngest manager and only woman with leadership role on the team.
- Drove consumer product strategy and growth for digital savings product, achieving +50% user expansion in 8 months and growing assets from \$15M to \$25M by integrating into main app within a year, following two years of prior failed attempts.
- Developed product-integration strategy for BCP's main app (26M+ downloads) and Yape (20M users), enabling seamless cross-product consumer experience; presented consumer growth roadmap to Chief Innovation Officer.

FAVO, Peru and Brazil

(Tech startup; raised \$55M from Tiger Global, Kevin Efrusy, and David Velez; served 1M+ users)

Head New Business Strategy

Dec 2022 – May 2023

- Led go-to-market launch of company's first B2B retail channel across 615 mom-and-pop stores, achieving channel-record revenues with 4,000+ store visits/month and next-day delivery; managed cross-functional teams across finance, logistics, commercial, HR, and supply chain.
- Redesigned product catalog, pricing structure, and trade sales incentives for retail market; reduced Customer Acquisition Cost from \$80 to \$5, achieved 80% customer retention, and grew gross margins from 2% to 10%.

Senior Product Manager

Jun 2021 – Dec 2022

- Earned 2 promotions in 1 year; led consumer app development as first product hire in Peru, directing 6 developers and designers across a language barrier (Portuguese).
- Drove end-to-end launch of first native iOS/Android consumer app through user research and agile iterations; migrated 10% of web users to mobile, expanding consumer accessibility and engagement.
- Launched first-ever Live Shopping experience on the app, generating 112% increase in weekly orders through content-to-commerce integration.
- Optimized consumer onboarding and account recovery flows, reducing customer support tickets by 75%.

ADDITIONAL

- Languages: Spanish (Native); English (Advanced); Portuguese (Advanced — managed Brazil team).
- Entrepreneurship: 1st place Junior Achievement Peru; qualified LatAm finals (Ecuador) and Forum of Entrepreneurs (Argentina).
- Community service: Core member in gender equity and Tech/Finance women empowerment initiatives at Apoyo Consultoría Women's Committee (2025), Women in Tech LatAm, WomenBiz, WeDao LatAm, Nxtep (2023); NGO consultant at 180 Degrees Consulting Peru (2018) and COVID-19 Hackathon (2020); volunteer at 6 NGOs (2016–2023).
- Sports: Indoor Cycling instructor (built a 100-member community), competitive bodybuilding, and dance director.
